Dōgo Time Exploration "Dōgo Toki (time) meguri"

Dōgo Onsen Honkan sounds the Toki Daiko ("time drum") to announce the time three times each day. Dōgo Time Exploration offers recommendations for walks around town based on the theme of "time," which may indicate the different timeframes during which various types of atmospheres can be experienced, the changing of the seasons, or cultural customs passed down over times past.

Deep kinds of fun

#shooting #japaneseglass

Shooting is a fun post-bath activity that you can always be sure to find in a hot spring district. In a back alley near the Dōgo Shopping Arcade is a shooting range where you knock down Kewpie dolls. (Open till 9 pm, ¥300 per round [5 shots])

Also, while the red Japanese glass found atop the roof of Dōgo Onsen Honkan is striking, there is also an art museum that showcases Japanese glass that had been used on the Honkan. (Open till 10 pm, entrance fee ¥650)
